Single-Level Bliss With Massive Alfresco Appeal

This single-level villa has a lot more going for it than the usual run-of-the-mill. Step inside and be immediately impressed by the excellent layout with spacious living/ dining, neat kitchen, two bedrooms with BIR, central bathroom, separate toilet, storage room and a laundry. Then step outside and be completely bowled over by the size of the patio and garden that wraps around to a courtyard at the side. One of three, its a few minutes walk away from Ripponlea Station and Village.
