A step back in time. Beautiful vintage 2 bedroom, 2 bathroom St Kilda apartment comprising beautiful proportions and Art Deco features.

Leafy streetscape outlooks through beautiful decorative windows create an inviting ambiance in this tastefully restored first floor apartment. One of only 12 in the block, this spacious apartment offers a cosmopolitan bayside lifestyle with close proximity to Fitzroy St, tram to the city at the front gate and a five minute stroll to St Kilda beach.

The superb layout features a wide entrance hall, north facing living with domed feature ceiling, a separate dining room, once a kitchen and still with its original cabinetry and metal ice box. The spacious retro kitchen with vintage charm and style puts a new spin on all things old and new.

Both bedrooms are generous in size and include built in robes. The two bathrooms include a shower over bath.
