

3/27 Robe Street ST KILDA

2 1 1

Life-stylish

Not only is St Kilda one of the most sought after locations but Robe Street is the place to be. A gorgeous wide street where you can get away from the hustle and bustle at home and visit the hustle and bustle easily as it starts as the end of the street. Youâ€™re so close to the water that you can feel the sea breeze too. Why not have the best of all worlds?! Comprising-

- Ground floor location with good security
- Cosy lounge and meals area overlooking kitchen
- Open plan kitchen with preferred gas cook top
- Good sized bedrooms with plenty of storage space
- White and bright bathroom
- Laundry taps in bathroom and room for a large washing machine
- Carpets, paintwork and window coverings in excellent condition
- Car space
