

80 Dickens Street ELWOOD

4 2 2

Japanese Influenced Sanctuary

This stunning and unique home exudes tranquility, flooded with light from a glazed ceiling, it also features:

- Mintaro slate-floored living room with underground heating and glass walls overlooking
- Gorgeous private rear yard, with mosaic tiled water feature
- Kitchen and dining area with new custom made dining table
- Master bedroom includes an ensuite fit for a king with a sunken marble bath and shower
- 2 further bedrooms, plus
- There is also an upstairs addition of a large, open-plan room which leads out to a sunlit balcony. This room has its own entrance from the street, plus there is a kitchenette in the corner and a bathroom/toilet directly beneath
- Brand new custom built double garage with cupboards
- Ducted heating throughout, in floor slab heating in the rear living areas
- Vast amount of storage
