## **Townhouse Temptation With Style And Space**

Drenched in loads of natural light and delivering an ultra-spacious yet low-maintenance layout, this townhouse gem impresses from the outset.

A theme of carefree comfort runs throughout the three-bedroom home, which features a generous open-plan living and dining room and a large refurbished modern kitchen with a stainless-steel dishwasher and Blanco cooking appliances.

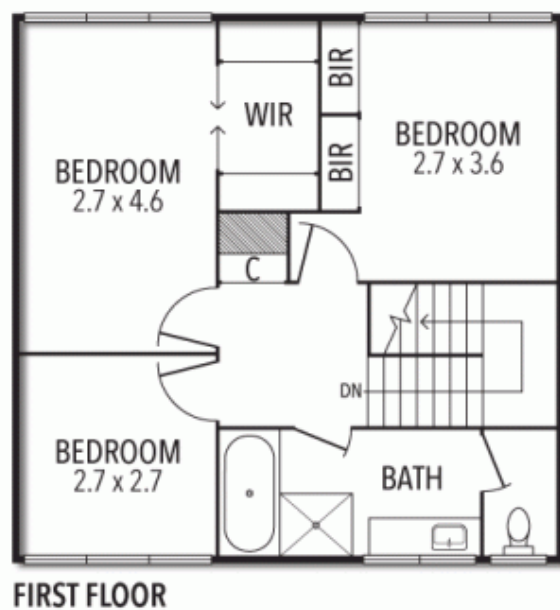

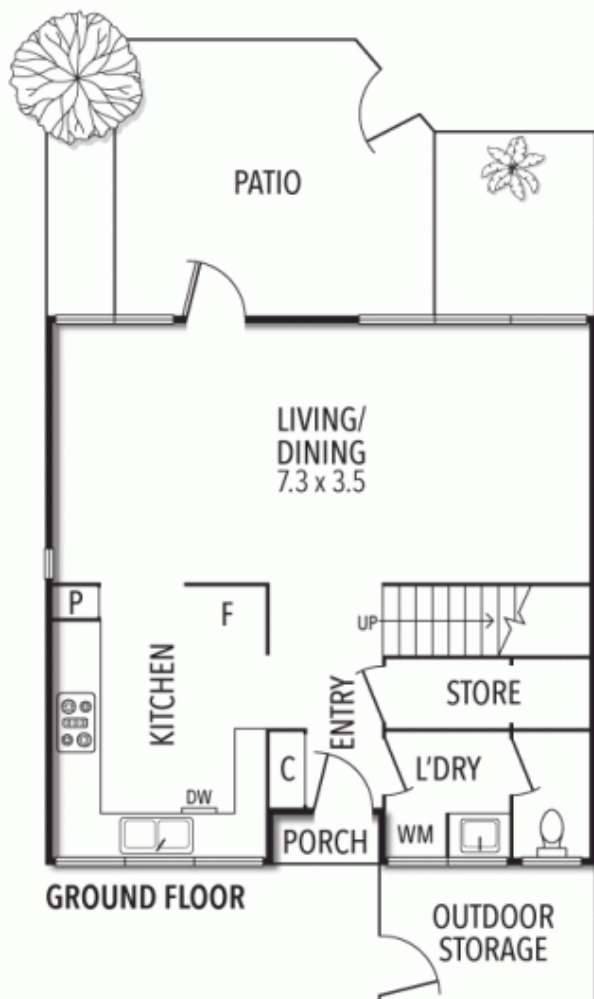

A further bonus for the lucky buyer is a gate from the sunny alfresco courtyard that opens onto the unique feature of a sparkling communal pool - perfect for summer time fun and cooling off on those hot balmy days.

Further highlights include a laundry/powder room, under-stair storage, big picture windows and the huge asset of a lock-up garage.

This tempting treat for first time buyers and investors reveals in a quiet setting in a small
