Step through the front door and you're greeted by a grand central hallway. Beautiful Baltic Pine floorboards run throughout the front two queen sized bedrooms, as well as the formal dining and lounge room, which easily doubles a fourth king-sized bedroom.

High ceilings, ornate corning, ceiling roses and textured walls are period features in the front rooms of the home. The lounge and formal dining rooms have open fireplaces, while central heating runs throughout the house and the main bathroom is centrally located with laundry facilities.
