A Fabulous Family Favourite With Room For All

Showcasing the best that modern living has to offer, this light-filled family home is superbly zoned, free flowing and excellent for indoor-outdoor entertaining.

Step inside and be instantly impressed by the double-height void soaring above the entry foyer, which leads to the formal lounge and dining room. The rear family room together with an adjoining atrium-style meals area is sure to become your ultimate venue for relaxing or enjoying informal family activities. The stylish kitchen is appointed with granite benchtops, two Bosch ovens, a Bosch gas cooktop and an Asko dishwasher. A sizeable north-facing alfresco courtyard overlooking the generous garden is ideal for summer barbeques as you keep an eye on the kids playing happily outdoors. A study or fifth bedroom, powder room and big laundry with ample storage complete the lower level.

Head up a 'bridal' staircase to discover an open sitting retreat area around which the sleeping accommodation is arranged, including a massive main bedroom with a walk-through robe to a spa ensuite bathroom, three additional bedrooms with built-in robes,
