Majestic Period Home Amid Garden Splendour

At Wilson we are showing homes privately instead of via scheduled inspections so please contact one of the agents below to schedule your inspection at a day/time which suits you.

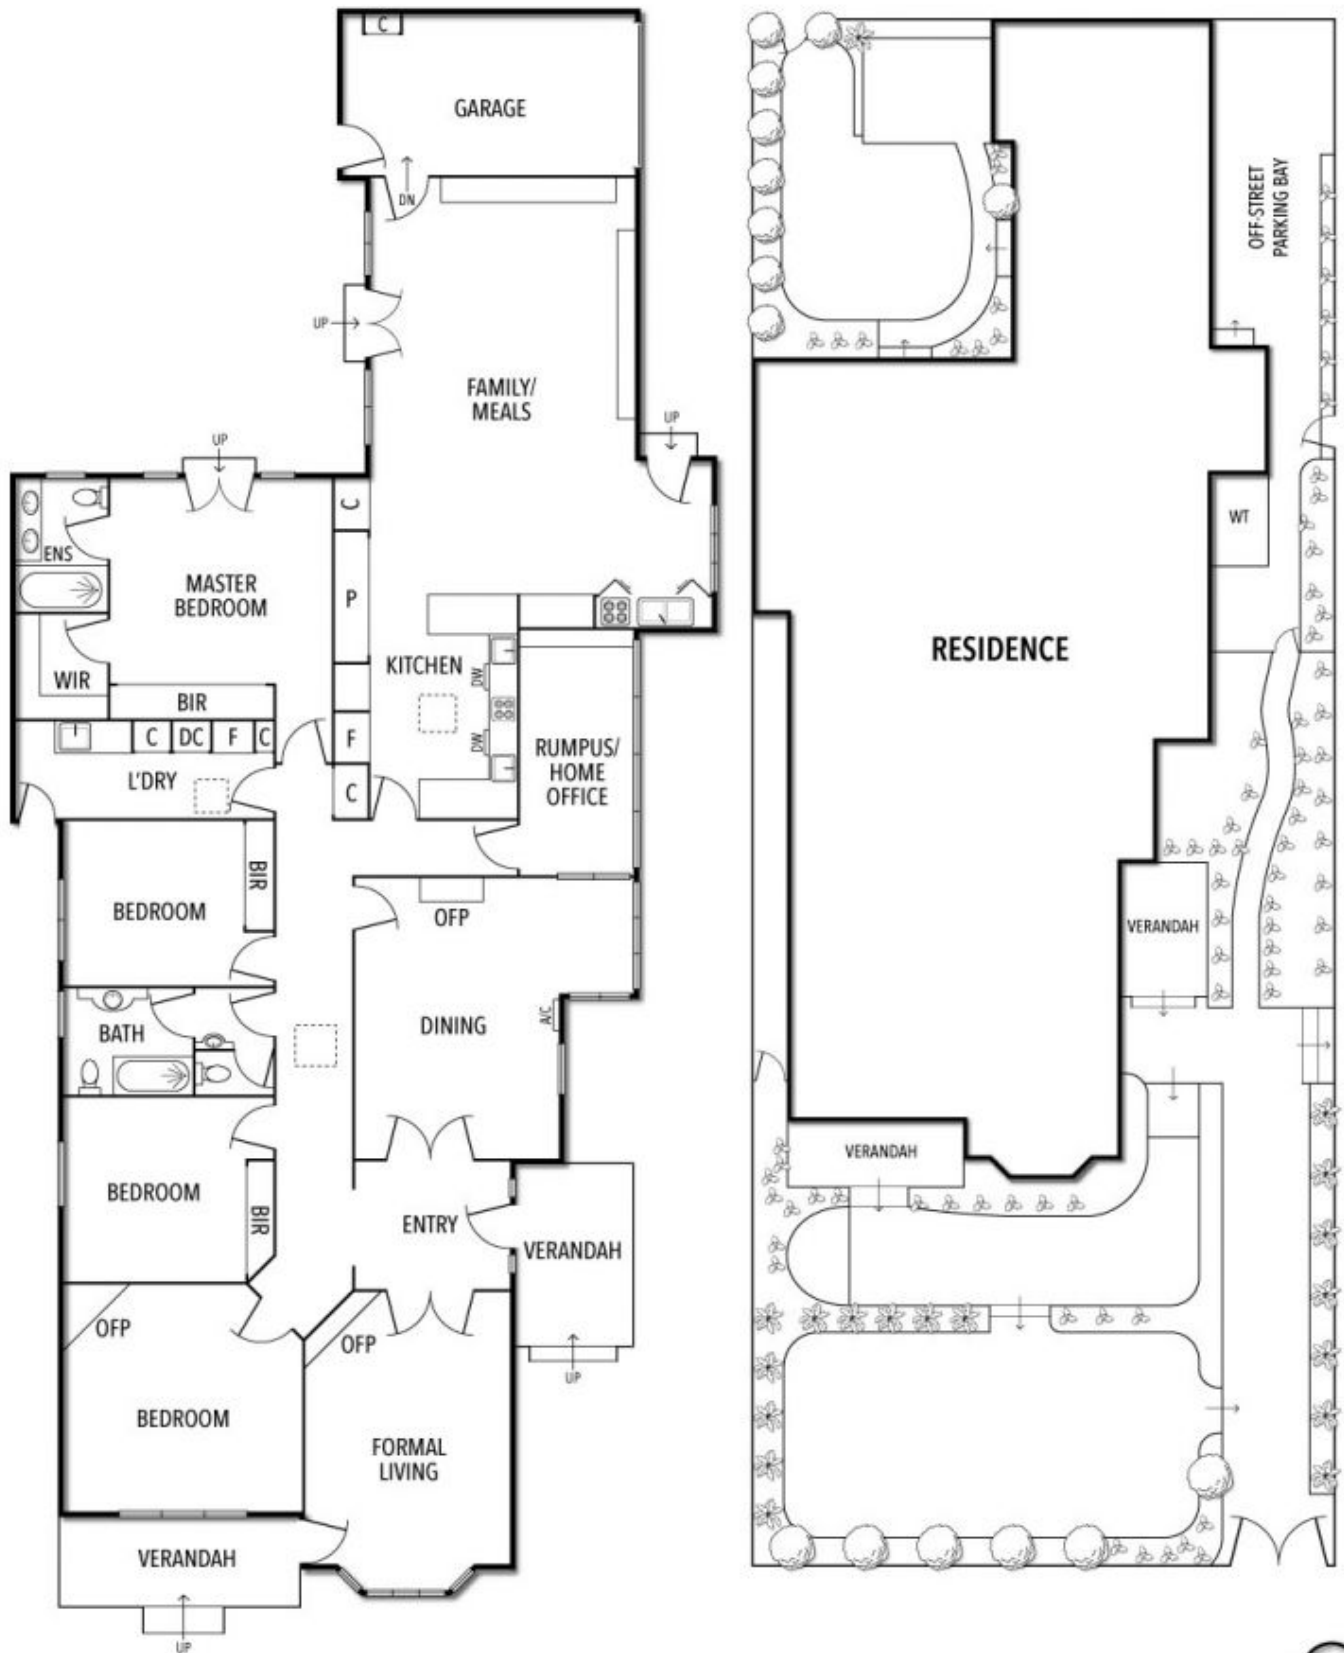

Steeped in tradition while offering an outstanding standard of contemporary family living, this grand home sprawls across approximately 711 square metres of magnificent gardens ideal for large-scale entertaining and relaxation.

Impressive beneath lofty ceilings with perfectly preserved intricate period detail, an elegant dining room and separate gracious lounge with bay window lead off the striking entrance foyer embellished with elaborate timber fretwork. The huge casual living and meals areas are overseen by a comprehensively equipped modern kitchen with two dishwashers, abundant storage and a butler's kitchen concealed behind bi-fold doors. French doors from this spacious casual zone lead to a pergola-covered alfresco courtyard and garden drenched in northern sunlight.
