Art Deco originality combined with modern comforts sets the tone for this updated and extended gem of a home.

Filled with a tangible sense of warmth and character, the main hub of the instantly captivating interior comprises of a charming living room, open-plan kitchen and a dining room resting beneath the dramatic vertical dimension of a lofty cathedral ceiling. Outside a covered alfresco deck offers an ideal venue for all-season entertaining and enjoyment. The three bedrooms - two with wardrobes, share the facilities of a central bathroom with bath, extra-large double shower and separate toilet.

Additional highlights include a laundry, off-street car space, front and rear gardens, split-system air conditioner, storeroom, floorboards and striking ceilings evoking the allure
