A Spacious Sensation In A Prized Location

When a house-sized apartment in a tightly held position like this comes onto the market, you're going to want to act decisively to make it yours.

A huge entry foyer lined with cupboards sets the tone for the vast spaces that lie within, including a radiant, sun-filled living and dining room flowing onto a north-facing balcony catering to indoor-outdoor enjoyment and entertaining, a comprehensively equipped kitchen overlooking a casual meals area, a massive main bedroom with walk-through robe to an ensuite bathroom, two more large bedrooms, built-in robes, a central bathroom with bath and standalone shower, a separate toilet and a separate laundry with access to a covered balcony.

An undercover car space, lock-up storeroom, secure intercom entry, big picture windows framing leafy outlooks and a tranquil setting at the rear of a solidly built boutique block enhance the appeal of this temptingly generous package for young families, downsizers and investors.
