Family Life & Entertaining On A Grand Scale

A feast for the senses, this majestic masterpiece unfolds in a dramatic display of contemporary elegance.

An entertainer's dream embodying the best of luxurious family living for all ages and stages, the glamorous residence is introduced by a grand foyer and flows through to an expansive combination of a living room, banquet-sized dining room and family room for hosting spectacular get-togethers. A casual meals area sits beside the lavish connoisseur's kitchen appointed with multiple Miele ovens, induction and gas cooktops, two dishwashers and an enormous central island bench around which friends and family will relish socialising.

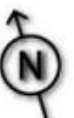

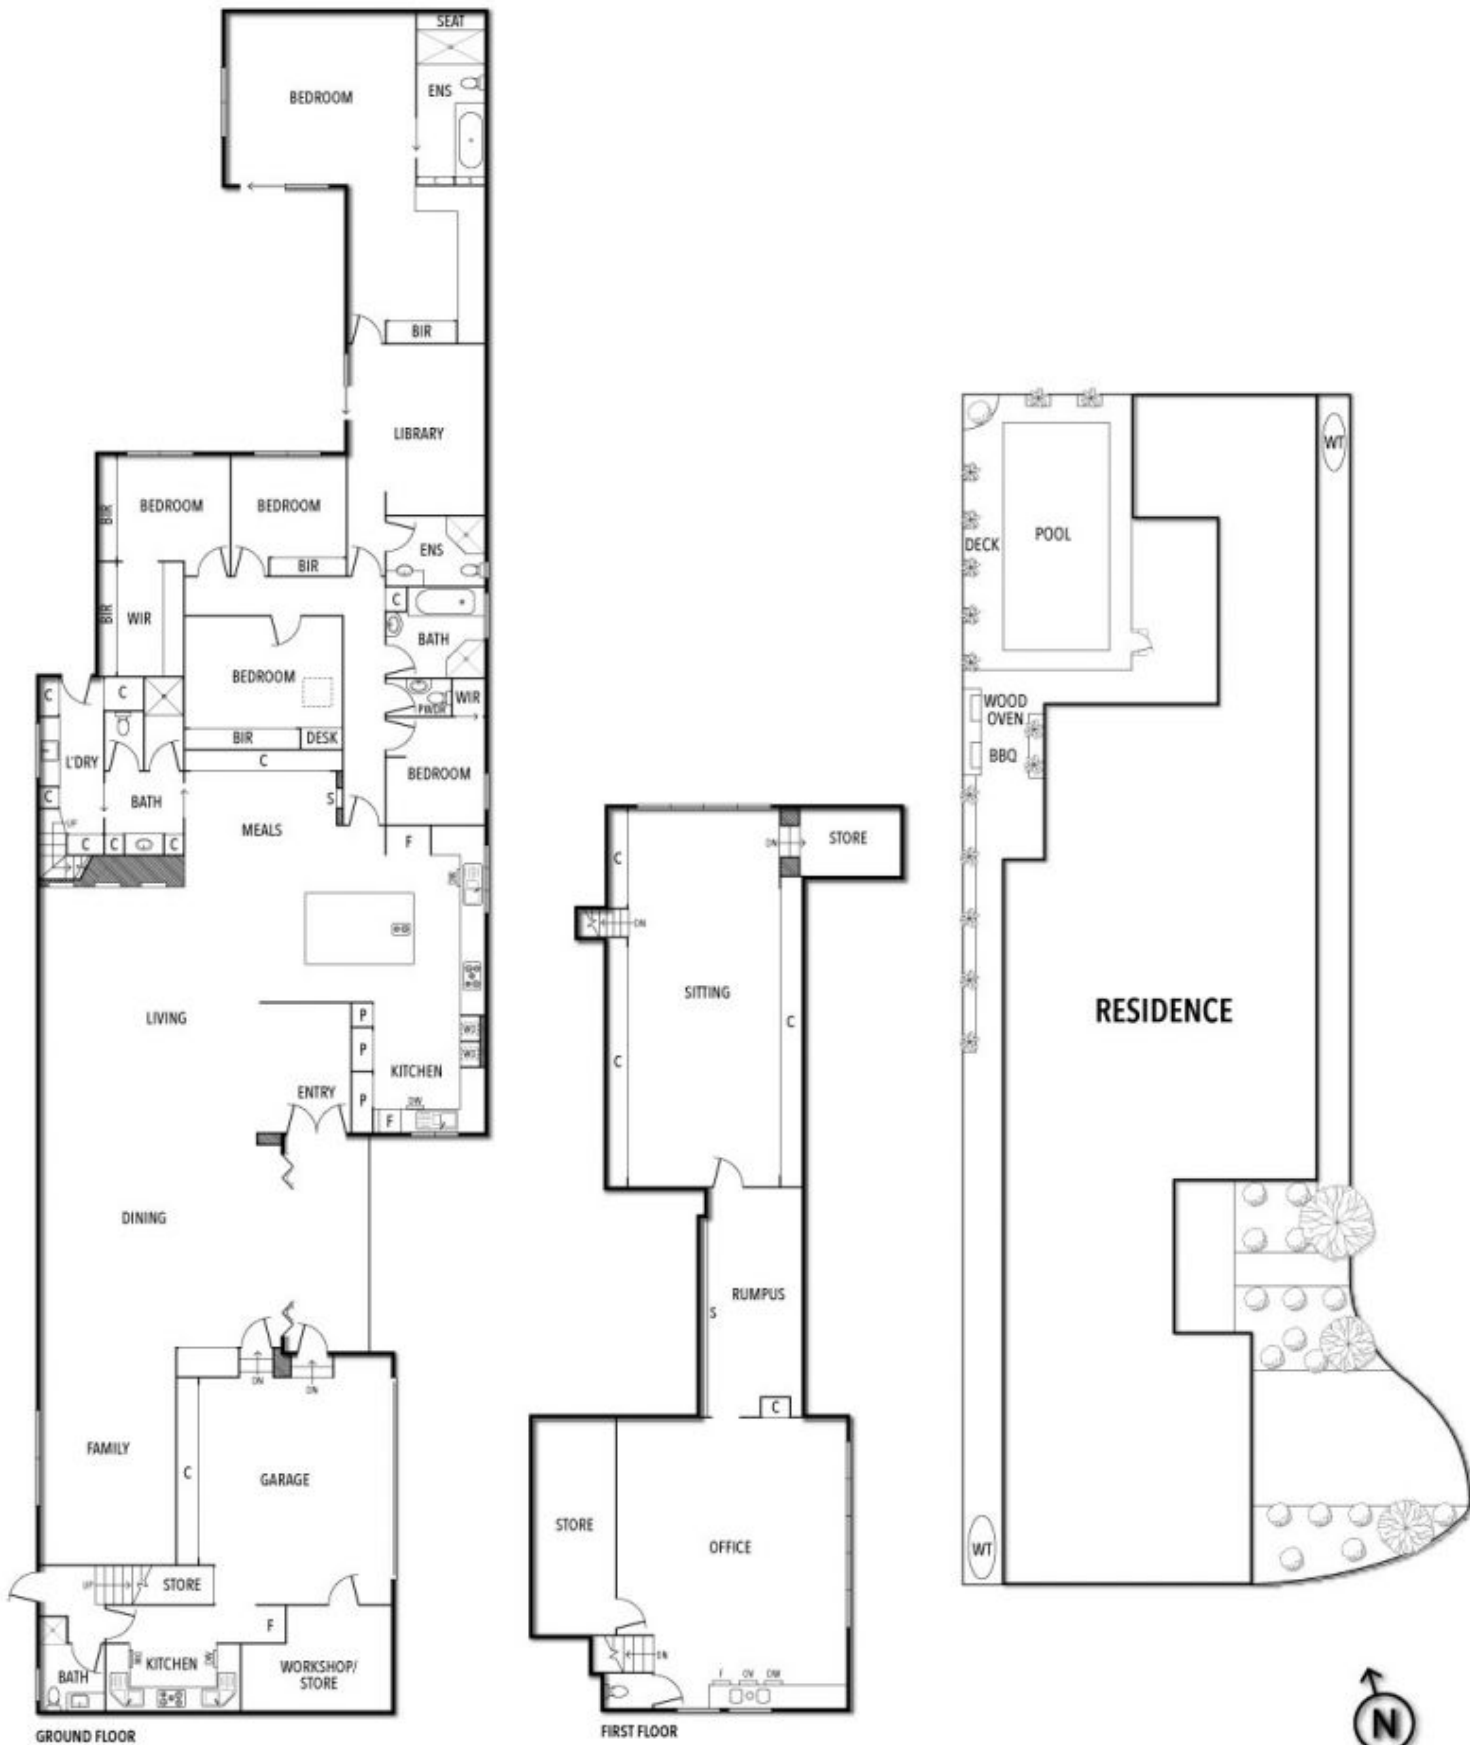

Styled to rival a five-star hotel suite, the sumptuous main bedroom features a pampering ensuite bathroom and private access to the heated pool and deck. Four more bedrooms and two bathrooms are set well apart from the parents' retreat to give everyone peace and privacy. The home also provides a fitted library - a tranquil place to escape with a book.
