They don't make them as solid or as large as this these days! Astoundingly quiet behind its double glazed windows, this classic top floor apartment has an uninterrupted view of Alma Park. This blonde brick apartment is ready for its next owner, neat and tidy in its current state or could be someone's renovation project with plenty of scope to improve.

This apartment is situated in the sweet spot, between St Kilda beach and the high life of Chapel Street and all the shops, restaurants and bars that each of these districts have to offer.

- Bright living/dining room and balcony enjoy leafy backdrop
- Large kitchen/meals featuring original features and gas cooking
- Two good-sized bedrooms, large master with built-in robes
