## House-Sized Beauty

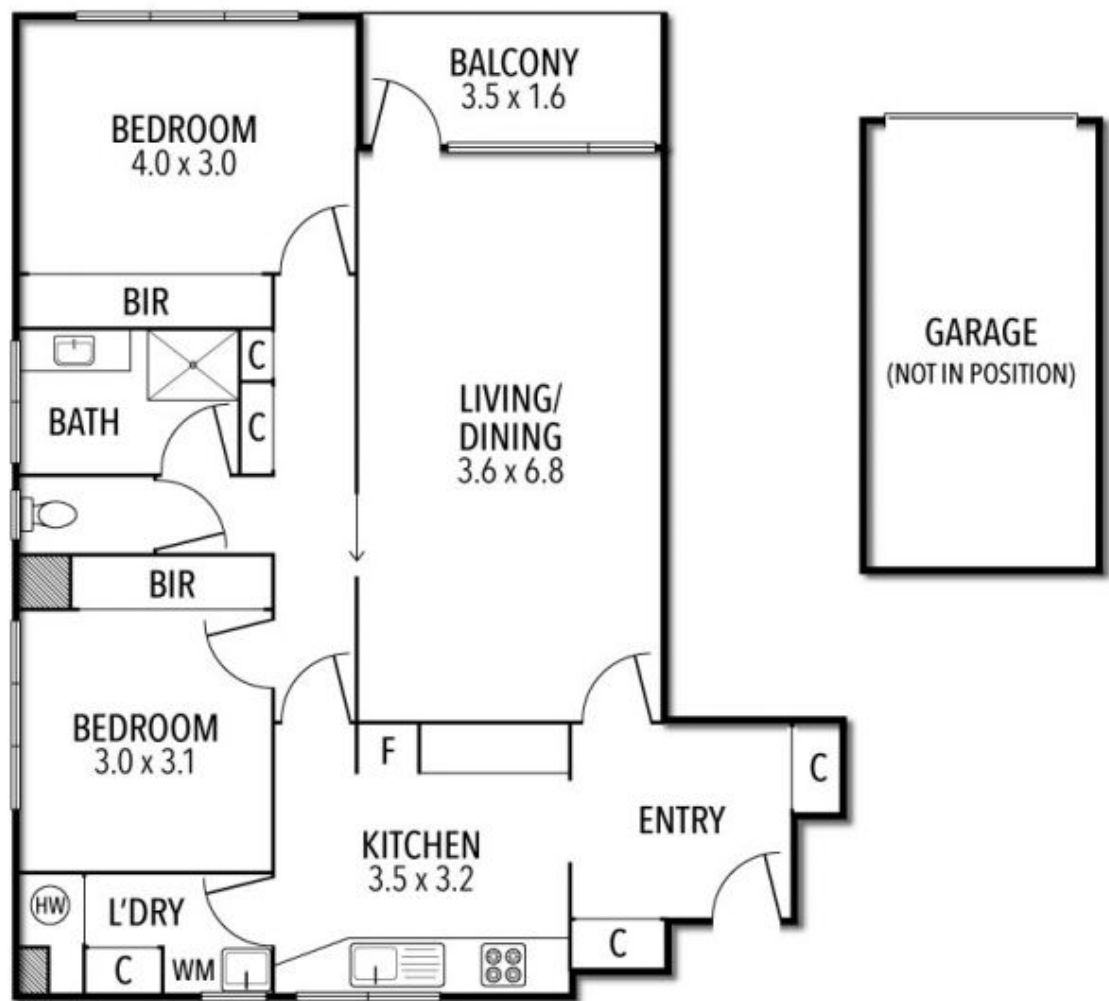

They sure don't build them this big anymore, so when an apartment this size comes along you're definitely going to want to be first in line to make it yours. Tucked away at the rear of a solidly-built block surrounded by lovely gardens promoting a community spirit, it's a rare beauty showcasing a house-sized living and dining room drenched in northern sunshine and stepping outside to a relaxing verandah looking onto the surrounding greenery. Cooking up a feast will be a pleasure in the enormous kitchen, renovated with style and featuring stone benchtops and a quality Miele oven, gas cooktop and integrated dishwasher. Two generous bedrooms fitted with robes and ceiling fans sit on either side of a modern fully tiled bathroom with shower and separate toilet. Further benefits include the asset of a lock-up garage, a full laundry, entrance hall, ducted heating, warmly toned floorboards, roller blinds, hallway storage and secure intercom entry. Minutes from trams, Windsor Station, the fashion and action in Chapel Street, and the recreation facilities in Alma Park, the promise of an enviable lifestyle is on your doorstep.
