Space To Adore In A Secure Block Of 4

\$ 607,600

They sure knew how to build them big back in the day, so when an apartment this size comes along, those buyers looking to break into the market or seasoned investors are definitely going to want to act decisively to make it their own.

One of only four in a solidly built boutique block, it offers a super-sized living and dining room with a desirable north-facing orientation resulting in loads of natural sunlight, a fully equipped kitchen with a meals area, two huge bedrooms fitted with built-in robes, and a central bathroom with bath, shower and the practical convenience of a separate toilet.

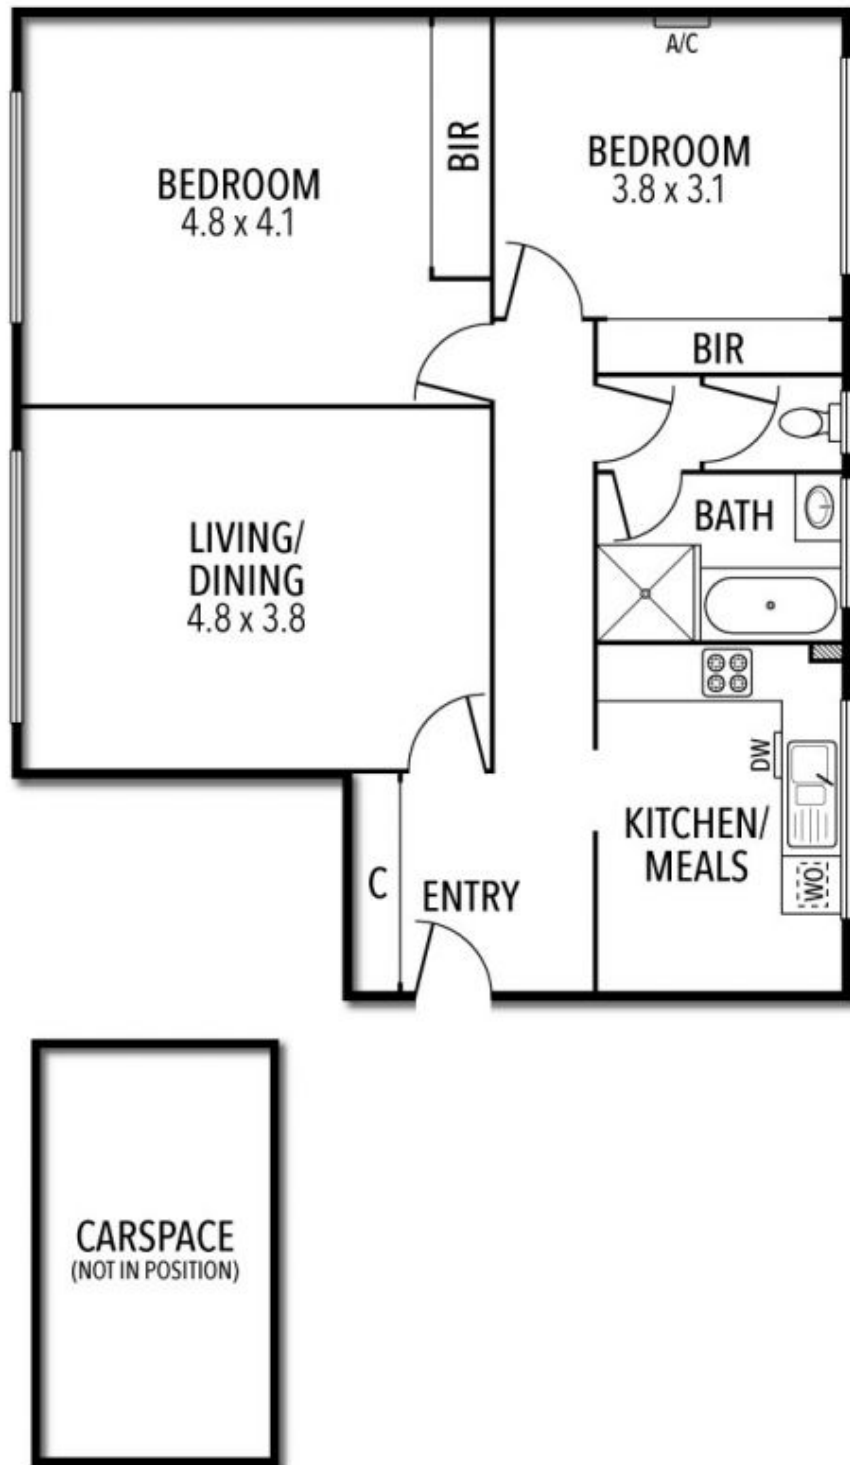

Secure with intercom entry, additional appointments include a carport, ducted heating, split-system air conditioner, washing machine taps, a dedicated entry foyer with excellent storage, and gleaming floorboards underfoot.

Highly prized location close to buses and trams, Alma Village, Woolworths Metro and Alma Park.
