A Hidden Oasis Of 3-Bedroom Quality

Please advise the agent via email or phone call if you wish to have a private viewing during the advertised open time.

Set toward the rear, this immaculately presented residence is a picture of relaxed comfort. The terrific home is sure to have downsizers impressed with its low-maintenance nature, while young families and professionals will no doubt appreciate the opportunity to buy into this amazing area.

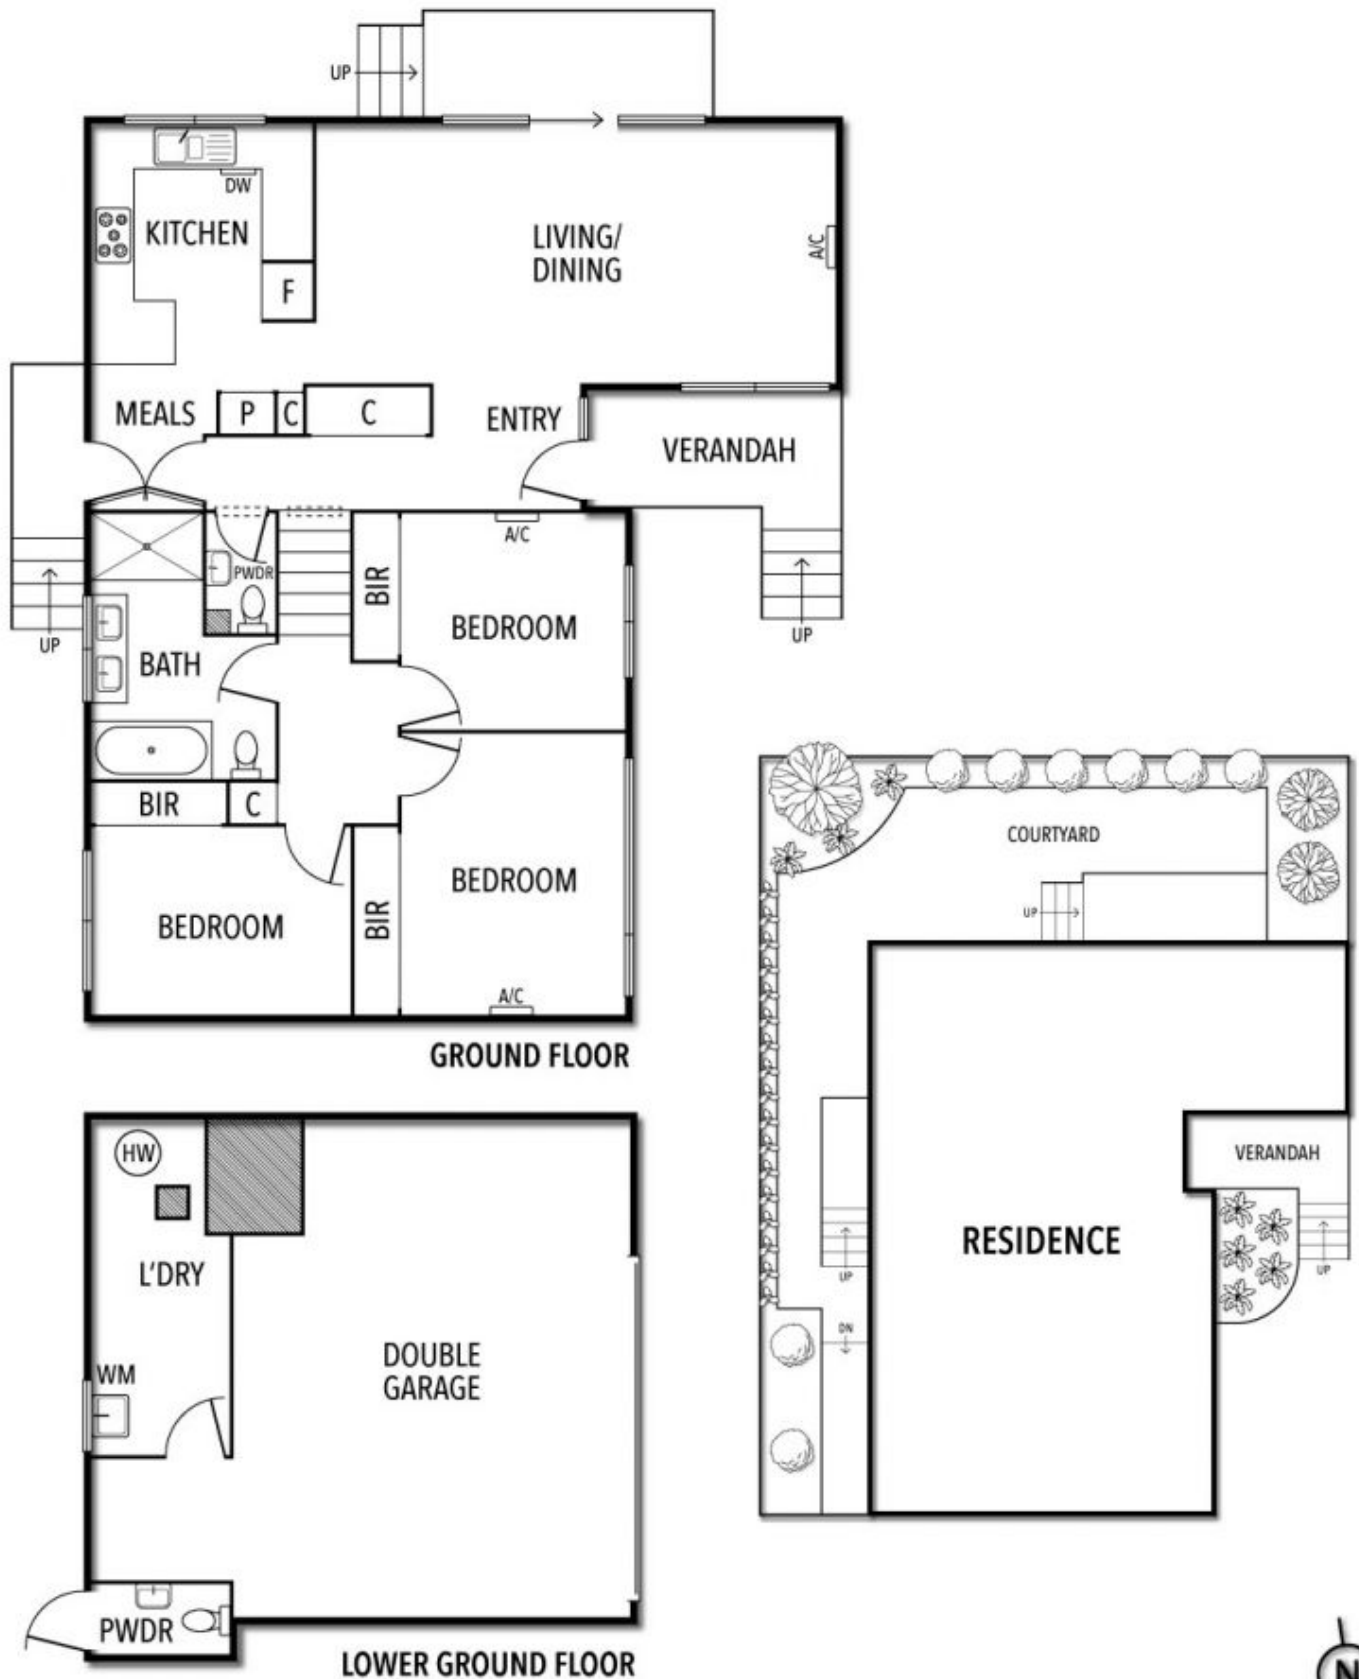

Warmly toned polished floorboards set the mood for the interior, which features living and dining of generous proportions linking to a private patio and courtyard, and an updated kitchen/meals splashed with granite benchtops and splash backs, Blanco appliances, double sink, breakfast bar and outlooks onto lush greenery.

The three light-filled bedrooms with built-in robes share the facilities of a refurbished bathroom with twin vanities.
