

10/3 Wando Grove St Kilda East

2 1 1

More like a house than a flat

They don't come much larger than this 5 room 1970's apartment that can easily be used as 3 bedrooms if required. Perfectly located in a quiet, leafy street, this large 2nd floor two-bedroom home offers generous proportions.

The sheer scale and abundance of natural light of this property will amaze you featuring north-facing living and separate dining room opening onto balcony. The kitchen and bathroom are both well preserved 1970's style with gas cooking and large meals area.

Includes security entrance, undercover carparking via remote gates and located close to the vibrant precincts of Chapel Street, Carlisle Street and Alma Village, all with walking distance to trams, trains and buses, Alma Village's shops and eateries and Alma Park's recreation facilities. You will love the lifestyle St Kilda East has to offer.
